

CONDITIONS OF PARTICIPATION

FALCON BETA COMMUNITY TESTING

1. ConSteel Solutions Ltd., hereinafter referred to as the **Organiser**, will conduct user testing of its wind load generator plugin, FALCON. Consteel users and users of the Consteel trial version can apply for the **FALCON beta community testing**.
2. The **Participant** indicates his/her intention to participate by filling in an application form to the **Organiser**, which is available at this [link](#). By filling it in, the **Participant** accepts these terms and conditions.
3. **The FALCON beta community testing process**
 - Registration for the FALCON beta community testing: from September 2024 - April 2025 onwards
 - FALCON beta release at the same time as the release of Consteel 18: end of autumn 2024
 - FALCON wind load generator plugin demonstration webinar
 - Online workshop sessions
 - Roundtable discussion (last workshop session)
 - FALCON training
 - FALCON plugin release: spring 2025
4. The **Organiser** reserves the right to change the testing schedule in case of unforeseen events.
5. **Participants** acknowledge that they are using a **beta version of the FALCON plugin** developed by ConSteel Solutions Ltd.
6. **Participants** in the test can benefit from various discounts depending on the intensity of the cooperation.
 - a. If the **Participant** registers but does not actively participate in the testing, he/she can use the FALCON beta version for free during the testing period.
 - b. If the **Participant** shares a minimum of 3 models with more than 6 wind simulation surfaces during the testing, he/she will receive a 50% discount on the price of the FALCON plugin training.
 - c. If the **Participant** sends at least one model containing more than 6 wind simulation surfaces or loads added by other means (standard, other simulation or wind tunnel) in addition to the loads generated by the FALCON plugin, he/she will receive a 50% discount on the purchase of the FALCON plugin after the test period and will be able to participate in the FALCON plugin training for free.

7. **Participant** agrees that the Consteel models submitted by him/her during the testing can be used by the **Organiser** for marketing and educational purposes, in addition to testing and calibration.
8. The **Organiser** declares that the information and data provided during the application process will be used by the entrant solely for its own internal tracking and administration purposes, will not be disclosed to any other company or third party, unless required by law or regulation, and will not be used for marketing purposes unless specifically authorised by the entrant during the application process. For further details, please refer to the [Privacy Policy](#) available on the **Organiser's** website.
